

# Ardentiny housing visit

ARDENTINNY Community Council members, residents and members of the Ardentiny Proposed Housing Development Working Group visited Loch Lomond and The Trossachs National Park headquarters on Friday January 15. The

purpose of their visit was to view the Park's consultation documents with regards to its proposed affordable housing development beside Lochview in Ardentiny, prior to the public meeting to be held in Ardentiny Village hall on Tuesday January 26 at 7pm.

Community councillor Bill Williamson said the visit was very productive and informative and provided useful additional information on the results of the consultation thus far.
